**Community on Fire (Not under Fire)
2 Chronicles 7: 11-16
Rev Anthony Loh**

CG Discussion Questions

1) How does a community "UNDER FIRE" look like at:

- National Level?
- Church Level?
- Personal Level?

2) Do you agree that there is a possibility of "*Then I (God) will hear*" in 2 Chronicles 7: 14 turning into "*Then I will NOT hear*", if some conditions are not met? Why?

3) Based on the message, what does it take for a community to be on fire?

Share one vital area which is not covered in the message. What can you do as a cell group?

4) What are some possible consequences if we are reluctant to live a life of obedience?

Share one area that you noticed at the church level in JCC (Pls share key points only and DO NOT gossip or judge)

After sharing, pray over the identified areas discussed.

5) Share in your CG what are you going to do about the following issues you have heard:

- National level: eg abortion, premarital sex among teens, same sex attraction etc
- Church level: eg reconciliation with the affected party when there is unforgiveness or bitterness, total surrender to God etc

6) How can my cell group encourage me or hold me accountable so that I will keep on growing to be SALTY for Christ in the world today?
